### CIRCLE ONE CORRECT ANSWER FOR EACH QUESTION

1. What score is given for any required maneuver that is not attempted?
  - a) 10
  - b) 8
  - c) 5
  - d) 0
2. What is the only difference between the Platinum Short, Platinum, and Platinum Plus events?
  - a) The testing requirements
  - b) The judging criteria
  - c) The duration time
  - d) All of the above
3. Skaters who have passed ISI tests before September 1, 2018 **MUST** use the new requirements when competing beginning:
  - a) September 1, 2018
  - b) January 1, 2019
  - c) May 31, 2019
  - d) July 1, 2019
4. To pass the Open Platinum test requirements for the two required jump combinations, the skater must include:
  - a) One jump in each combination must be the same double jump from FS8-10 levels in each combination.
  - b) The other jump in each combination must be a different double jump from FS8-10 levels.
  - c) One jump in each combination must be a different double jump from FS8-10 levels and the other jump can be any single or double jump.
  - d) Both A & B
5. The following jump combination WOULD QUALIFY to pass the Open Platinum test two jump combinations requirement:
  - a) Double Loop / Toe Loop jump and Flip Jump / Double Loop
  - b) Double Toe Loop / Double Toe Loop jump and Flip Jump / Double Toe Loop
  - c) Double Salchow / Double Toe Loop and Double Salchow / Double Loop
  - d) Double Loop / Loop jump and Double Flip / Loop jump

6. To take the Open Platinum Freestyle test:
- The skater's coach can pass the test and send the results to the ISI office
  - There must be 3 local judges or testing can be done at the high level district test session or following the video test guidelines. All three judges must pass the test.
  - The skating director can pass the test and send the results to the ISI office
  - Open Platinum testing can only be done by video sent to ISI office for review
7. From the 2018 Rule Revisions, the Pair 4 Waist Loop Lift requirement change is:
- Full arm extension is not required by either partner
  - Full arm extension is not required by the lifted partner
  - Full arm extension is required for both partners
  - Full arm extension is not required by the lifting partner
8. Which statement is true for the new "Choice Lift" requirement in Pair 9?
- For the Press Lift, both partners' arms are fully extended
  - Both lifts are done in a hand-to-hand hold
  - A hand-to-hand Double Loop lift can still be performed to pass the test
  - The Table Top (Platter) lift always gets higher points since it is a more difficult lift
9. Which time below IS NOT a prescribed time for Platinum Open Freestyle events?
- 4:30
  - 3:20
  - 2:50
  - 3:30
10. Open Freestyle event maneuvers are judged on:
- Quality – not quantity
  - Jump height – not distance
  - Spin speed – not centering
  - Step sequence timing – not flow and pattern
11. The Duration scores have been changed and the 5.0 penalty has been eliminated because:
- It was too difficult for the panel to agree
  - So that one criteria won't typically give the skater last place
  - To make a Duration penalty score less severe
  - Both B & C
12. With the change in maneuver limitations for FS6-7/Gold skaters:
- Competition Director must combine these skaters with FS8-10/Platinum skaters for all events.
  - Even though the maneuver limitations are the same, the Competition Director must always keep these levels as separate events.
  - Competition Director has the option to combine these levels or keep them separate – based on the entries received for each event category.
  - Artistic, Interpretive, and Solo Spotlight events must be combined, but Footwork, Couples Spotlight, and Rhythmic events do not have to be combined.

13. Maneuver limitations have been changed for FS6-7/Gold skaters in which events:
- Open Freestyle, Traditional Freestyle, Spotlight and Artistic
  - Artistic, Interpretive, Solo Spotlight, Couples Spotlight, Rhythmic
  - Artistic, Freestyle, Solo Spotlight, Rhythmic
  - Interpretive, Spotlight, Rhythmic, Footwork
14. The previous  $\frac{1}{4}$  Loop jump (a Half Loop jump that lands on the toe picks of both feet – without gliding on the landing):
- Is now called a Half Loop Stop
  - Is now allowed to glide out on the landing
  - Is still allowed in Footwork events
  - Both A & C
15. The new Duration scores (to replace the previous 10, 8, 5 scores) for all events with 2 or more event entries are:
- 7.0, 6.0, 5.0
  - 7.0, 6.5, 6.0
  - 8.0, 7.5, 7.0
  - 8.0, 7.0, 6.0
16. The new Duration scores (to replace previous 10, 8, 5 scores) for all events with only 1 skater “against the book” are:
- 7.0, 6.0, 5.0
  - 7.0, 6.5, 6.0
  - 8.0, 7.5, 7.0
  - 8.0, 7.0, 6.0
17. For all ISI events, the Duration timing:
- Starts when the music begins / stops when the music stops
  - Starts when the music begins / stops when the skater stops
  - Starts when the skater moves away from the starting position / stops when the music stops
  - Starts with any action after the music begins / stops when the skater stops
18. Any required maneuver performed more than 10-seconds over the prescribed duration time:
- Is scored within the point range based on the performance quality of the maneuver
  - Is scored at the top of the point range since the skater showed extra endurance
  - is given a score of “0” since judging always stops at 10 seconds over the prescribed duration time
  - Is given a score of “6.5” to match the new duration penalty score
19. Which performance below IS NOT judged within the point range?
- The edges in Delta and FS1 that are not performed consecutively
  - Only one of the two required Arabesques in FS2 or FS4 is performed – but the same one is performed two times
  - Not attempting any  $\frac{1}{2}$  Loop jump in a Freestyle 4 program
  - A fall during an incomplete dance step sequence in Freestyle 6
20. If the opposite spin requirement in FS 9 is not performed consecutively in both directions, what score is given?
- Comparatively within the point range
  - 5.0
  - 2.0

d) 0

21. The new point range for judging 1 event entry "against the book" is:

- a) 0 – 10
- b) 7.5 – 8.5
- c) 7.0 – 8.0
- d) Determined by the panel referee after watching the skater's performance

22. "Against the book" skaters must get an average of what score for 1st Place?

- a) 5.0
- b) 7.0
- c) 8.0
- d) 10.0

23. Judges for "against the book" skaters must:

- a) Compare skater's performance to the test standard requirements
- b) Compare skater's performance to their age and test level
- c) Go through the motions of judging, but always give 1st Place "against the book"
- d) Both A & B

24. Required maneuvers for a skater "against the book" not meeting test standard requirements can be given a score of:

- a) 0 – 7.9
- b) 7.5 – 7.9
- c) 7.0 – 8.0
- d) 8.0 – 10

25. Skaters *WILL* receive a score of "0" for:

- a) Not having a back-up CD readily available rink-side for all events requiring music
- b) Performing only part of a required maneuver
- c) Skating longer than the 10-second leeway
- d) Not attempting a required maneuver in a freestyle program

26. When judging all ISI events, judges are required to:

- a) Use their own cell phone on the judge stand and text event scores to the accounting room
- b) Have the Referee initial/approve any penalty score of "0" after all 3 judges are in agreement
- c) Always have .2 between each judge score for each criterion for each skater
- d) Avoid giving the same score for two skaters for any criteria

27. In Solo Compulsory events, if an illegal maneuver (such as a Tap Toe jump) is performed between the required maneuvers, the skater will be given a score of:

- a) 7.0 by all judges
- b) 5.0 by all judges
- c) 2.0 by all judges
- d) 2.0 under "Penalty" by the Referee

28. In Solo Compulsory events, if there is no illegal maneuver performed in events with 2 or more skaters, each skater will receive a score of:
- 7.0 under "Penalty" by the Referee
  - 7.5 by the Referee
  - 8.0 by the Referee
  - Any score within the point range by all judges
29. In Solo Compulsory events if there is no illegal maneuver performed in an event with only 1 skater "against the book", the skater will receive a score of:
- 7.0 by all judges
  - 7.5 by all judges
  - 8.0 score under "Penalty" by the Referee
  - Any score within the point range by all judges
30. In Solo Compulsory events, if the skater performs a required maneuver more than 1 time, the additional attempt is:
- Scored within the point range for the best performance of the 2-3 attempts
  - Scored as a "0" for the following maneuver
  - Scored at the bottom of the point range
  - Not judged and no penalty is given
31. The new point range for judging 1 event entry "against the book" is 7.5 – 8.5. The only scores that can be given outside this range are:
- 0 – for not attempting a required maneuver
  - 2.0 – for performing an illegal maneuver
  - 7.0 – for Duration timing 15+ seconds over prescribed time
  - All of the above
32. In Silver Open Freestyle events, skaters CANNOT perform:
- Split jump
  - Axel jump
  - Flying Sit spin
  - Layback spin
33. In Freestyle competition events, the opposite jump requirement in FS7, FS9, and FS10:
- Must be performed in both directions
  - Must be consecutively performed in both directions
  - May be performed in both directions – but is not required
  - Up to the coach and skater to fit choreography to the program music
34. In Artistic programs:
- Skaters are judged on the difficulty of the maneuvers they perform.
  - Skaters and coaches should carefully check to make sure any additional maneuver is not a required maneuver from a higher test level.
  - Skaters can do any spin from any level.
  - Skaters are limited as to which uncaptured jumps, spins, and gliding maneuver they can perform.

35. ISI Individual or Professional membership IS NOT REQUIRED:
- To administer and register ISI tests
  - To participate in ISI competitions, exhibitions, and shows
  - To judge at an ISI in-house competition
  - To perform in an exhibition at your rink
36. A skater has passed FS 4 (traditional test) and later passes the Gold (open freestyle) test. That skater CANNOT compete in:
- Artistic 6/Gold event
  - Spotlight Gold event
  - Traditional Freestyle 5 or Freestyle 6 event
  - Family Spotlight event
37. When judging “Correctness”, you MUST NOT consider:
- Difficulty or technical merit
  - Falls
  - Technical accuracy of the moves performed
  - Quality of each maneuver
38. The Bronze, Silver, and Gold ISI Judge Certifications tests:
- Can be taken in any order
  - Must be taken without referring to the current *ISI Handbook*
  - Help to validate your knowledge and understanding of the ISI test and competition programs and events
  - Work better if only one person in the rink is Gold certified (skating director or head coach)
39. Uncaptured gliding maneuvers, jumps, and spins may be performed at any level – but are not allowed in which events?
- Artistic / Interpretive
  - Solo Compulsories / Jump & Spin
  - Couple Spotlight / Solo Spotlight
  - Freestyle / Open Freestyle
40. When judging any competition event, a judge can make evaluation easier by:
- Always using the full point range
  - Using symbols instead of words to save time
  - Evaluating all aspects of a maneuver – speed, height, revolutions, flow, timing, etc.
  - All of the above
