Postponement of Skate Asia 2020

In recognition of the global impact of the COVID-19 Pandemic and its significant impact on people's lives, Sunway Pyramid Ice and Ice Skating Institute Asia (ISIA) have decided to reschedule Skate Asia to 7th - 15th August 2021.

COVID - 19 has had a major effect on international travel for several countries and currently there are over 2 million cases recorded worldwide in nearly every country. It has also become necessary for all countries hosting international ice skating competition and other sporting events to follow all relevant national and international health regulations requirements.

The World Health Organization (WHO) reminds all countries and communities that the spread of this virus can be significantly slowed or even reversed through the implementation of robust containment and control activities.

At ISIA, our priority is the safety and wellbeing of our member's.
