No.0008 16 April 2020

One-year free extension of ISIA Asia Membership for 2020

We understand and sympathize with the global situation of the COVID-19 Pandemic, and its significant impact on people's lives. There are 2 million cases now recorded worldwide and in nearly every country.

We hope all of you are safe and healthy and can stand together in this tough situation and be back on the ice very soon. We at ISIA Asia, acknowledge and recognize how much this is affecting people's livelihood and would like in a small way to assist by giving back to our members in their time of need. The ISIA Asia Executive Committee has therefore, decided to give all our current members **ONE-YEAR-FREE** membership extension. All 2020 valid Administrative Members, Professional Members and Individual Members will automatically have one year of free membership extension.

For example, if your membership is valid till end of February 2020, your membership period will be automatically extended to February 2021.

If you have any questions, please contact info@isiasia.org.
