

Dear coaches,

Less than a month to go to celebrate our Skate Asia 2024. Hope everybody got your travel arrangement ready. Taipei City is the capital and largest city of Taiwan. It is a vibrant metropolis known for its blend of modernity and tradition. Key attractions include the iconic Taipei 101 skyscraper, bustling night markets, and historic temples like Longshan Temple. The city is also a cultural hub, featuring numerous museums, art galleries, and theaters. It's gonna be an unforgettable competition experience for everybody.

Let's look at the following notes and reminder for your reference.

@ Competition Schedule

I hope everything is set once we have sent out the full schedule for all coaches and skaters. We will not accept anymore changes or corrections for any reason.

@ Music

Please prepare all your skater's music in MP3 format and send to sa24musicupload@gmail.com . Please rename in the following format: (3 digit event number)_(skater name)_(event).mp3

Example: 009_Indy Wong_Open Freestyle Bronze.mp3

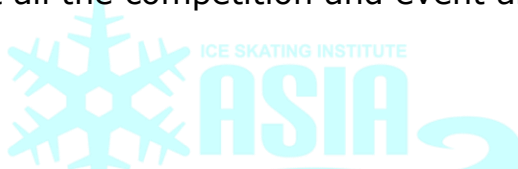

It is a huge amount of workload for the rink staff to arrange all the music correctly. Coaches, please name the music file carefully and only follow the above format.

@ Competition Coach Note

I will be sending the "Competition Coach Notes" for all coaches when it's near the competition. This is to replace the traditional Coach Meeting. You will be able to find out all the competition and event arrangement in the documents.

@ Travel Tips

We have also attached a useful Travel Tips for all participants that coming to Taipei. It is about traveling VISA, local currency, transportations and immigration restriction, etc.... Please read it carefully to avoid unnecessary disappointment.
