Eligibility Rules

1. Competition events are open to any Individual or Professional Members of ISI, from Tots to Adults, whose membership is current up to and including the date of the competition.
2. All competitors must compete at their highest test level passed and comply with all equivalency chart levels. All tests must be registered with the ISIA Asia or ISI national office before the event entry deadline: **8 June 2026**.
3. All competitors must represent a current ISIA Asia or ISI Administrative member facility, club or skating school. It is permissible for skaters to represent one member facility for solo/partner events and a different member facility for group/team events.
4. Skaters in Pre Alpha – Delta may not compete in Freestyle 1, Bronze Freestyle, Couple 1, Pair 1 or Bronze Pair.
If the skater has passed one of the following: Freestyle 1, Bronze Freestyle, Couple 1, Pair 1, then the skater may no longer compete in Delta level events.
5. Any skater wishing to compete in Artistic and Spotlight events are still required to pass and register a test level (i.e. Pre-Alpha – Delta, traditional Freestyle or Open Freestyle) to determine the level for those event entries.
If the Open Freestyle tests are passed based on the skater's current USFS test level, the Pre-Alpha – Delta and traditional Freestyle tests are not required.
6. Skaters are expected to compete at their true ability level and to uphold high ethical standards. Skaters may not "skate up" one level for ISI competition events. All skaters must pass the test level for the event level in which they will compete (except in Couple Spotlight and Jump and Spin events where a skater may "skate up" to their team or partner's level).
7. Females and males are separated in most technical events, but may be combined in Artistic, Jump & Spin, Spotlight, Stroking and team events.
8. All ISI competitions use the first day of the competition as the age cut-off date for grouping individual and team event skaters.
9. As a reward for their achievement, all skaters who have passed any level 9 or 10 test in Freestyle, Couple, Pair, Dance, Free Dance or Figures are entitled to one complimentary first event entry at each ISI national competition.
10. Vocal music is permitted for all ISI competition events.
11. There is no penalty for skating under any prescribed program duration time.
